

Cash For Clunkers!

No, not your car...your clunker photograph; the worst photograph you own.

You know – the one clunking around in the bottom of a drawer, or hidden away in a box on the top shelf of your closet. Come on, you know you have at least one...everybody does.

Well, dig it out! Let it see the light of day just one more time.

Why? Because it's valuable!

For a limited time, that clunker will get you **½ off the normal price** of a new portrait at [name deleted]. No hidden fees, no gotcha's...we'll simply lop off half the normal price from your order.

So don't be embarrassed. We're professionals; we won't swoon with shock or gasp in horror when you show us your clunker. We might giggle a bit – but only if you're laughing too. (And if it makes you more comfortable, tuck that clunker into an envelope or fold it into a newspaper for the trip to our studio.)

If you wish, we'll even dispose of your clunker humanely for you (no extra charge!)

And don't worry; you won't be replacing that old clunker with a new clunker. In fact, as the Valley's premiere photographer, [name deleted] is quite comfortable in guaranteeing that your new portrait will be the best you've ever had. **If you don't agree, your money will be 100% refunded!**

But don't dawdle; our version of the 'Cash For Clunkers' program ends on **December 15, 2009**. Don't waste this opportunity to get something more than embarrassment from that old clunker!
